WE STAND OUT

CANADIAN COMPANY

Based in Montreal and established in 2015, we have access to a high-level talent pool in one of the biggest gaming cities in the world. Another edge to increase ROI while enjoying the safety of one of the most stable economies in the world.

TECH-ORIENTED

Conquer the market with data that is accurate and tracked properly. We feature a passionate and agile in-house tech team with an infrastructure that is fast, solid and completely auto-scalable.

SUCCESS STORIES

We've worked with some of the leading names in the gaming industry, including Roblox, Raid: Shadow Legends and more, and are the official partner for HBO's Game Of Thrones: Winter Is Coming.

TRUSTED PARTNER

We keep our partners close and continue to nurture relationships to expand our reach. We've been working very closely with OperaGX, the top gaming browser endorsed by some of the most popular industry influencers.
